

# Reading Clubs

We enjoyed getting together and reading *Star* by Holly Webb every Monday. The book was chosen by the Y2 and Y3 Reading ambassadors and was a clear win with everyone. We took in turns to read, read some at home too and just loved a book blether. Finding out at the end that the book was based on real events made us love the book even more!

The Switching Hour by Damaris Young.

A bewitchingly beautiful, spine-chilling story of courage, friendship and fears that come alive after dark which captivated us all. One of our reading club members said, 'The only part about the Reading Club I didn't like was that we couldn't stay and read the whole book in one go and discuss it after'- could not agree more! Rarely you find such a book that you REALLY don't want to put down.

WE  
LOVE  
READING!
