## READING AMBASSADORS

Our Reading Ambassadors did an amazing job running lunchtime workshops this month! From reading aloud to younger pupils to planning and supporting reading-themed activities in the library, they created a welcoming space for everyone to enjoy books. Well done, Reading Ambassadors!

## POETRY IN ACTION

Our pupils are currently being recorded for the Poetry by Heart competition. It's been incredible to watch their confidence grow as they perform poems in assemblies. Well done to all participants for their dedication and passion!

## THANK YOU

Travelling Book Fair: This was a huge success—we sold over £737 worth of books! As a result, our school will receive book credit to purchase even more amazing titles for our pupils.

A huge thank you to our wonderful governors for taking the time to share their love of reading with our pupils! From reading their favourite books to answering questions and discussing their own reading journeys, they truly inspired our children. The pupils thoroughly enjoyed these special sessions!

We've been working hard on improving our KS1 library, and it's been lovely to add some new furnishings while we wait for our brand-new bookcases to arrive. We can't wait to see the space come to life and create an inviting reading area for our pupils!

## WBD COMPETITION

A huge thank you to everyone who entered our World Book Day competition! We had some fabulous entries, and it was incredibly difficult to choose the winners. Check out some of our talented winners—well done!

Thank you!
